

Capability Statement

Valor Supply & Logistics, LLC

SBA-certified SDVOSB and VOSB | Richardson, Texas

Valor Supply & Logistics sources medical, PPE, industrial, facility, and office supplies for federal, state, and local government buyers. Our direct-to-customer model combines distributor sourcing with product verification and delivery coordination. We confirm availability, specifications, documentation, and delivery terms during quotation.

Core Competencies

Medical and PPE. Medical consumables, personal protective equipment, and medical equipment sourced to documented requirements.

Industrial and safety. Maintenance supplies, protective gear, storage products, and material-handling equipment.

Facility and janitorial. Cleaning chemicals, disinfectants, paper products, trash liners, and restroom supplies.

Office supplies and equipment. Paper, toner, general office supplies, and office equipment.

Procurement Support

Requirement-driven sourcing. Product identifiers, quantities, requested specifications, and delivery needs guide each quote.

Direct fulfillment. Supplier-to-customer shipping, with lead times, freight, and delivery terms confirmed for each order.

Owner-led coordination. A direct point of contact for sourcing questions, quotations, and order coordination.
